

## HELP SORT AND PACK CHRISTMAS GIFTS FOR DISADVANTAGED CHILDREN IN SRI LANKA

Each year Network Heaven provides a Christmas Gift to poor children in Sri Lanka. The gift pack includes a set of new clothes, underwear, basic school stationery, toiletry items, a very small toy etc and a bag or cap. **We are dependent on energetic Corporate Groups to give a day or more as 'community service' to help sort, wrap and pack the boxes and prepare it for shipment.** This is a huge task that needs many hands.

Some companies use this day as a 'team building' opportunity or as part of corporate social responsibility. We save goods from landfill and send them to people who can put them to good use
